

## **SHERIFF'S OFFICE HIGHLIGHTS MARCH 7, 2007**

### **I. Department-wide**

- The 2nd of three groups started the Leadership in Police Organizations classes. Command Staff, Lieutenants, and Civilian Managers from throughout the agency will complete this course which is taught in blocks over a period of several months. This program is sponsored by the Arizona Peace Officers Standards and Training Board (AZPOST), Community Policing Unit.
- The Sheriff's Office also is utilizing a parallel Leadership/Supervisory Class sponsored by the same organization for all other supervisory staff.
- Detective Larry Thomas was awarded the Exchange Club "Officer of the Year"
- Spring 2007 Citizen's Academy began 3/7/07 with 35 participants.

### **II. Support Services**

- Weapons lockers and signage were installed in the LEAF lobby. This is pursuant to ARS statutes regarding Concealed Carry Weapons.

- The Sheriff's Office Civil Division has been working with the Treasurer's Office to send out delinquent tax bills.

- The Sheriff's Information Technology Team completed a Computer Aided Dispatch software upgrade with Intergraph Public Safety (IPS). This is an important link in the information sharing and dispatching for Coconino County Sheriff, Coconino Detention, Flagstaff Police, Williams Police, NAU Police, regional fire and EMS agencies.

### III. Patrol

- Williams Patrol continues to work closely with County Planning & Zoning on issues in Kaibab Estates. Deputies and Community Programs Planner attended the Homeowners Meeting and Planning and Zoning meeting in Kaibab Estates last week. Deputies assisted Planning & Zoning with a search warrant in Kaibab Estates this week.
- Williams/Tusayan deputies have lunch with Parks Unified School children a couple of times a week (when possible) for community outreach.

### IV. Criminal Investigations

- Weekly briefings have improved communication flow between patrol and detectives.
- Detectives Lurkins & Bond are working a credit card fraud case.
- Detective Lurkins solved auto burglaries that occurred at the climbing area Lake Mary Road. Two are in custody for this case.
- Detectives continue to work the Doney Park home invasion case with plans for a community meeting.

### V. Search and Rescue (SAR)

- 3 SAR Technical Rescue Team Members participated in the Ropes That Rescue Team Skills Workshop in Sedona
- 4 SAR Volunteers conducted a Basic GPS Class for National Park Service Rangers at Grand Canyon

- Heli-Rescue Team Members completed the 120 day re-certification for heli-rappel and short-haul
- SAR Volunteer Art Pundt is attending a National Park Service Search Management Training at Lake Mead NRA. Art was asked to present on the Coconino County Sheriff's Office SAR Navigation Program (GPS, coordinate systems, map datums) which he developed. Several agencies have expressed interest in these navigation training programs.
- New member interviews and selection are being conducted for both the Flagstaff SAR Unit and the Mounted SAR Unit.

#### VI. Detention

- On 3/2/07, eight graduated from the CCSO/CCC Detention Academy.

- Sgt. Leon's squad prevented a suicide attempt in the Medical Unit.
- Detention has been assisting agencies with DUI search warrant blood draws to help maintain inmate, staff, and arresting officer safety. Recently, there have been several belligerent DUI arrestees requiring restraint assistance from detention staff.
- The Jail Educator facilitated having the AIMS test administered for an inmate.
- Detention is working on inmate voter registration with Elections and the City of Page for the upcoming Page election.

#### VII. In Custody Treatment Program

- The Jail Treatment Program Coordinator, Margot Julian has been hired and making progress toward implementing the treatment program.
- Staff has completed the staff descriptions and requests for staff for the Case Worker and Counselor.
- Carpet and furniture have been installed in the pod dedicated to the treatment program.
- Margot is working with Genesis X to develop classes for individuals in the treatment program.

- Name for the program and media release should be finalized within the next week
